

News Release

Tualatin Hills Park & Recreation District

Communications Director: Holly Thompson
E: hthompson@thprd.org · T: 503.614.1218

SUMMER REGISTRATION DATE DELAYED

March 20, 2020 The safety of THPRD guests, staff and community is our top priority and the district is taking appropriate action to limit the spread of coronavirus (COVID-19). Due to this, the **registration for** Tualatin Hills Park & Recreation District's summer camps, programs, classes and activities has been delayed.

- **Summer registration date will be rescheduled:** Summer registration previously scheduled for in-district patrons for April 18, will be rescheduled. **We do not have a new date to share yet.** As the COVID-19 outbreak is a public health priority, we will wait to reschedule summer registration to a future date, when we have better information about the duration of the pandemic and its effect on facility closures.
- **Summer programs and camps may change from the printed guide.** Staff are closely monitoring the school schedule and will adjust our summer camp offerings based on how school schedules are impacted by the closures. The best resource for updates will be the district's web site.
- **Activities Guides have been mailed.** The district plans for the summer months in advance and unfortunately the printing and mailing of the summer guides were in motion before the COVID-19 closure responses were beginning. We apologize for any confusion this may cause.
- **Centro de Bienvenida will continue:** The district will continue its in-person registration assistance/welcome center when the date is rescheduled.

Responding to this pandemic, with attention to how it impacts our community moving forward, has become the focus of our organization at this time. Please understand, this is an evolving situation and THPRD is committed to serving the public and following the advice and guidance of our Governor, the Oregon Health Authority, Washington County Public Health Department, and the U.S. Centers for Disease Control and Prevention. Our goal is to return to normal operations as quickly as we safely can.

The best source of information about closures, cancellations, and postponements, will be our website. Please visit: <http://www.thprd.org/district-information/coronavirus-update>.
