

# How to request Inclusion Services

Inclusion services are **FREE** and available upon request. To qualify for inclusion, the participant must meet the essential eligibility requirements of that program defined for all participants.

If it is your first time requesting Inclusion Services or you have not used our services in over a year, you will need to complete our **Inclusion Request and Support** form. This can be found by googling "[thprd/inclusion](https://www.thprd.org/inclusion)". Email completed form to [inclusion@thprd.org](mailto:inclusion@thprd.org) and allow at least two weeks for processing.

If you have utilized THPRD's Inclusion services in the past year, make sure you let the inclusion department know of any changes or additions to your child's THPRD programs.

If you need help getting started you can also call **503.629.6330**.

\*\*If you or someone in your care has a disability, you are not required to have inclusion support to participate in THPRD programs.

# What are Inclusion Services?

THPRD Inclusion Services provide free individualized support and accommodations that assist patrons with disabilities to participate in the wide variety of programs and activities available through THPRD.

Inclusion Assistants (IA) provide individual support and adaptations to ensure individual needs and desires for participation are met in ways that are reasonable, safe, and do not fundamentally alter the nature of the recreation program or activity.
