Volunteer Insurance Waiver

As a volunteer, you are NOT covered by the Park District's Workers Compensations program. You are, therefore, urged to have your own health insurance in the event you are injured while performing your volunteer duties.

You ARE covered by the Park District's General Liability Fund. This will protect you in the event of property damage or accidental injury to the public as a result of your performance of volunteer duties assigned by Tualatin Hills Park & Recreation District.

Volunteers are not authorized to drive Park District or personal vehicles as part of his/her duties, but may on occasion be authorized to operate off-road equipment. If you operate off-road equipment, you must have a valid Oregon Driver's License. You will be covered for property damage or bodily injury to others resulting from an accident. You should have your own health insurance to cover yourself.

I have read and understand the foregoing information on volunteers and insurance. If I am injured, I understand I will not have a claim against the Park District for injury and damages. I also give my consent to THPRD to conduct a background check. If your child is under 18 years, the parent/guardian is responsible for arranging timely transportation to and from the volunteer activity.
