Family Assistance Application Guidelines

To Qualify for Family Assistance

Your household must be within Tualatin Hills Park & Recreation District boundaries and entered in the district database. You also need to have a valid THPRD registration card.

If your household income is less than the Federal Poverty Guidelines you are eligible for Family Assistance. If your household income is between the Federal Poverty Guidelines and the Federal Free Meal Guidelines you are still eligible but will need to pay 10% of the requested funds or \$20 per person to access the Family Assistance.

Approval Process

You may apply for Family Assistance at any time during the year. The THPRD Family Assistance Program administrator determines eligibility on a case-by-case basis. If approved, you may be granted a maximum of \$200 per year in fee waivers for each person in your household. The funds will be made available in two \$100 allotments, six months apart. Funds are not transferable between members of the same household.

On your Family Assistance application, list every member of your household who will use the fee waivers. Only those members listed on the application will be able to use them. An incomplete application form will not be considered.

Notification of approved or declined applications will be made by phone or mail. **Please allow up to two weeks for processing.** If you have any questions, please call the Family Assistance administrator at 503/645-6433.

Mail, fax or hand-deliver your completed form to:

THPRD Program Participation

For registration, you will be able to enroll in THPRD programs by calling, going online at www.thprd.org, or by submitting your Class Registration Form to the administration office.
