# Camp Rivendale

## Description

Camp Rivendale is a summer day camp program (Monday-Friday; 9:00am-3:00pm) designed to provide recreational opportunities to individuals with disabilities, behavioral challenges, and at-risk youth.

Campers (age six years and up) are encouraged by staff to explore areas of music, dance, drama, visual arts, sports and aquatics. Through this process, our goal is to contribute to the physical, mental and social growth of the camper. Staff and volunteers foster peer relations which allow campers to share affection, support and companionship. We also strive to develop community support and encourage attitude changes to reflect dignity, self respect and independence for people with disabilities.

Staff named the camp for the land of Rivendell in the Lord of the Rings trilogy by JR Tolkien. Rivendell was a magical world where everyone was happy, fit in, and life was wonderful and whimsical with no hardships, burdens or sadness. Unfortunately, a typing error spelled the Camp R-I-V-E-N-D-A-L-E. Somehow it seemed right and the spelling stuck. It's a wonderful place, but a little different than the perfect one envisioned.

Camp Rivendale is on a portion of the 68-acre historic Jenkins Estate, an English-style country estate that is listed on the National Registry of Historic Places. The facility features a restroom, an enclosed small office area, assessable play equipment and two covered pavilions. The grounds provide pathways and trails, natural areas, maintained gardens, fish pond, foot bridge and lots of open play area.

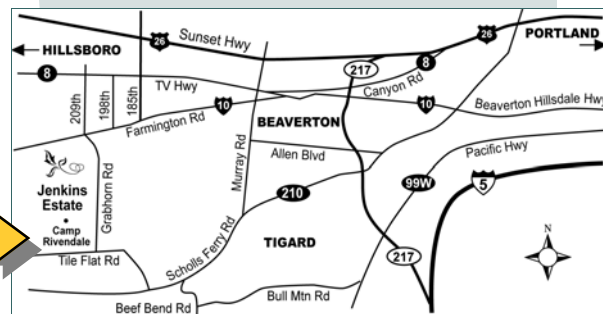

About 65-80 children attend camp each week. School buses take campers on off-site excursions; and one day a week, campers are taken to Beaverton Swim Center for water play.

Transportation is provided to and from camp at Aloha & Sunset High Schools and the Beaverton Swim Center. Staff and volunteers supervise all activities from 8:45am to 3:15pm.

Applications are mailed and REGISTRATION begins in late APRIL.
