Artist: Ellen Jerome

Painters Showcase is an association of artists designed as a supportive vehicle for endeavors in the fine arts. The membership is limited to thirty-two members living in the greater Portland area.

The organization has hosted an annual show for its members since 1973. The quality of original work presented over the years has attracted an ever growing number of interested patrons.

Painters Showcase does not focus on any single school of art. Representational, impressionistic and abstract art in variety of media and subject matter make for an interesting and stimulating display. Over 350 works, including paintings, etchings, drawings and collages will be displayed in the Stable/Gallery. Commissioned works are accepted by many of the artists.

The association provides monthly meetings, demonstrations, guest artists, critiques, paint-outs and yearly workshops given by nationally known artists.

All activities are directed toward artistic growth and professional development.

For more information concerning show, workshops or membership, please contact Donna Breathouwer, 503/292-3066.

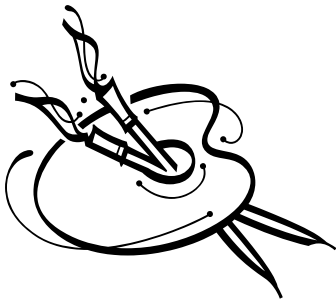

For additional information; Please call 503/629-6355.
