COED KICKBALL LEAGUE

Remember when you were a kid and played kickball with your friends? Come join the fun in this kickball league!

Kickball is a playground game and also a competitive league game, similar to softball.

- Played on a softball diamond with an inflated rubber ball.
- Ball is bowled towards the catcher.
- Batter kicks it with the foot.
- Batter's objective is to reach base before the base is tagged, forced out, or getting touched with a held ball.
- Fielding a very large, soft rubber ball is different.
- Catching fly balls is easy throwing the ball can be harder.

Kickball – it's all about having fun!

- Roster and fees due May 8.
- League play begins first week in June.
