

# Tualatin Hills Nature Park

## Trail closure/detour map

### Vine Maple Trail closure/ SW corner closure

Starting Thursday, September 16th: In addition to the ongoing closure on Vine Maple Trail, the southwest corner of the park will be closed while the new Big Fir Trail boardwalk is being constructed. This closure will be from the entry on 170th Ave to the intersection with the Elliot Trail. We are expecting the new boardwalk to open by the end of October. During this time, the only access to and from 170th will be from the northern entry adjacent to Vendla Park Lane. Note on the map, the detour route between 170th and the main entry/ Nature Center.
