

# Summercrest Park Bond Project

## Tualatin Hills Park & Recreation District

As part of the 2008 bond measure, Summercrest Park will be receiving funds to enhance the natural areas.

We will be removing:

- English hawthorn
- Himalayan blackberry
- English ivy

Project areas at the eastern end of the park will then be planted with native trees and shrubs.

Feel free to visit [www.thprd.org/bondprojects](http://www.thprd.org/bondprojects) for additional project information.

For further information please contact John Gaddis at 503/629-6305 or [jgaddis@thprd.org](mailto:jgaddis@thprd.org).
