

THRIVE Year-Round Option FAQ

1. Why is the year-round option more than the traditional plan?
 - a. The tuition for the year-round program includes the cost of 7 weeks of full-day summer camp, in addition to the THRIVE school year program.
2. Can I change my payment plan after the school year starts?
 - a. Only students who have paid the year-round tuition since the beginning of the school year will be able to participate in the year-round program. Parents who are enrolled in the year-round program *are* able switch back to the traditional payment structure at any time, however you will forfeit your guaranteed space in the summer camp program and no refunds will be issued on tuition that has already been paid.
3. Can I select the year-round option if I enrolled in THRIVE after the beginning of the school year?
 - a. Unfortunately, no. Only students who have paid the year-round tuition since the beginning of the school year will be able to participate in the year-round program. Students who join THRIVE mid-year will be eligible to enroll in the year-round program for the 2025-2026 school year.
4. What is the deadline to change plans?
 - a. You must be enrolled in the year-round program by the end of September 2023.
5. What camps am I able to select?
 - a. Participants may choose 7 of 9 weeks of the full-day camp at the Center where the child attends the THRIVE Afterschool Program (Athletic Center participants will be assigned to Cedar Hills Recreation Center). The 7 weeks of camps must be selected by the deadline of April 1, 2025. Information for choosing the weeks will be sent to all year-round families.
6. Is this payment plan option covered by DHS?
 - a. THPRD accepts ERDC payments at the THRIVE Afterschool locations. For eligibility, refer to the [ODHS Child Care](https://www.oregon.gov/odhs/childcare/) website at oregon.gov.
7. Is the Out-of-District pricing different?
 - a. Yes, out-of-district families will be required to either have a valid assessment fee or pay the out of district tuition.
8. What if my child cannot attend camp due to illness?

- a. Refer to the THPRD Camp Cancellation Policy for information.
9. Has the price of THRIVE increased for next school year?
- a. The price of THRIVE will increase by 5% in 2024-2025. (This is the first increase in two years.)
