

Pollinator Sidewalk Obstacle Course

What you need:

- Sidewalk chalk – use what you have or make your own (<https://www.redtedart.com/diy-sidewalk-chalk-recipe/>)
- Rocks or any small object to place on each flower.
- Your imagination! Feel free to create additional obstacles that the bee must cross to get back to the hive!
- Need to get more in the mood? Create your own Bee Antenna out of pipe cleaners and a headband to really feel like a bee.

START and END

Pollinator Sidewalk Obstacle Course

Buzz like a bee! Hop to each flower collecting pollen from each one!

How much can you collect to bring back to your hive?

Turn around and take all your pollen back to your hive!
