

Frisbee Bowling

This super simple game is easy to play. Line up 10 water bottles for bowling pins and try to knock them down with a frisbee.

Frisbee Golf

Set up a “golf course” around your yard using cones or other household objects as the “hole.” Take turns tossing the frisbee towards the holes. Just like golf try to take as few throws as possible. The player with the lowest score wins!

Frisbee Tic Tac Toe

Using chalk, mark off the tic tac toe grid. Decide who will be x’s and o’s. Take turns throwing the frisbee towards the grid. If a player’s frisbee lands inside a square on the grid mark that spot with chalk. If the frisbee missed the grid completely, the player does not get to mark a spot. The player to get 3 in a row diagonally, vertically or horizontally wins the game!

Frisbee Toss

This game requires a couple of cans or large boxes. Place cans about 10 feet apart, players try to throw their frisbee into the opposite can. First player to 10 wins!

Frisbee Crusade

Set up two chairs 10 feet apart. Place a cup on the middle of each chair. Take turns trying to knock off the cup your opponents chair. First person who knock over their opponents cup wins the that round and earns 1 point. First person to five wins!
