

FUTURE PARK COMING TO HECKMAN LN & NW 159TH AVE

A place to connect to nature

- THPRD is helping connect people to nature by designing a new nature-based park at NW Heckman Ln & 159th Ave.
- This project will develop over two acres of park along a wetland habitat, and completes the trail connection from NW 160th to Shackelford Rd.
- Construction of the park and the trail connection is expected in 2026.
